WHY WAFC CAMPS?

Premier Coaching - All WAFC Camps are coached by nationally licensed and experienced coaches. WAFC takes pride in providing the highest quality coaching for its players and summer/winter camps programs. Group sizes are restricted to allow maximal interaction and coaching time per player in each training environment.

Facilities - All WAFC Camps are held at the Club's premier match and training facilities. Our partnership with the City of Westminster has fostered the development and maintenance of some of Colorado's premier soccer specific facilities including the indoor facilities at the Westminster Sports Center.

Affordable - WAFC Camps programs are multi-level and diverse to offer the player the most suitable and specific environment for their goals and money. ALL WAFC Campers enjoy top level coaching, developmentally appropriate playing environments, receive a player's gift and camp t-shirt at the conclusion of their camp.
